

GRAHAM COUNTY AND NEARBY TROUT FISHING TRAILS

There are various laws regarding fishing in area waters. Visitors should check with North Carolina and Federal Wildlife agencies to obtain specifics. Make sure that you have up to date licenses and understand the laws that are in effect.

Some sections of waters may be on private property or Cherokee Tribal Land. Please respect POSTED waters.

Be Safe - Some of these locations are remote. We highly recommend:

1. Always tell someone where you are going and when you will return.
2. Always take topo maps and/or GPS units and maintain awareness of where you are.
3. Be extremely careful to avoid injury when wading in streams and hiking on trails.
4. Be aware of emergency measures in case you encounter wildlife.
5. Carry basic first aid kit. Remember that cell phone service is very limited.
